Gentlemen:

Under another cover I send you some literature concerning the work of this Association. Would it be possible for you to supply us with a list of the members of your Association. We would like to bring to their attention the Oregon Trail Memorial Coin which we are sure will be of interest to them.

I have been engaged in this great work for over twenty years will be 97 on the 29th of this month and still on my pegs and anxious to bring the work of this Association to a conclusion before I am called.

Yours very truly,

Ezra Meeker

Oregon Trail Memorial Association, Inc.,

Dear Sir:

Your letter of December 9th is at hand. Our rules do not permit supplying a list of our members for the purpose you indicate. I might suggest, however, that by communicating with Mr. Duffield, the Editor of the Numismatist, you might secure the objective at which you are aiming. The numismatist is published as a popular monthly and reaches a large percentage of the members of our Society, as well as many others outside of our membership.

If you will write to Mr. Duffield, as you have done to me, I feel sure he will coöperate with you.

Very truly yours,

Secretary
